# Accessing **Saddleback Peer Tutors** through Canvas

Beginning Fall 2020, the LRC Tutoring Center began offering drop-in online tutoring through Saddleback Peer Tutors. By registering for the free, zero-unit TU 300 course, you will have access to tutoring at no cost.
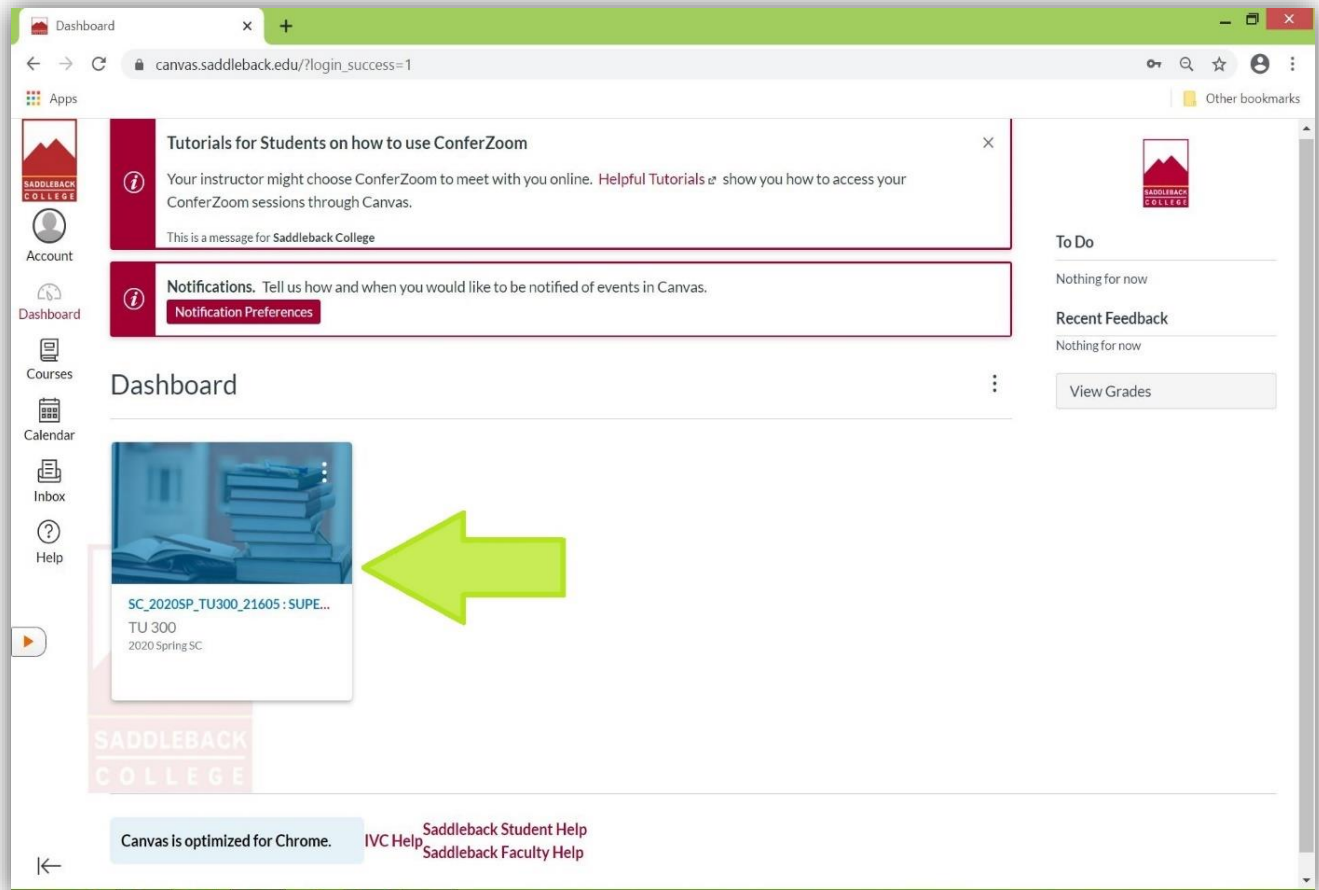

1. On the **Chrome** web browser, go to https://canvas.saddleback.edu/ and log in with your username and password. <u>Note</u>: Canvas is optimized for the Chrome web browser.
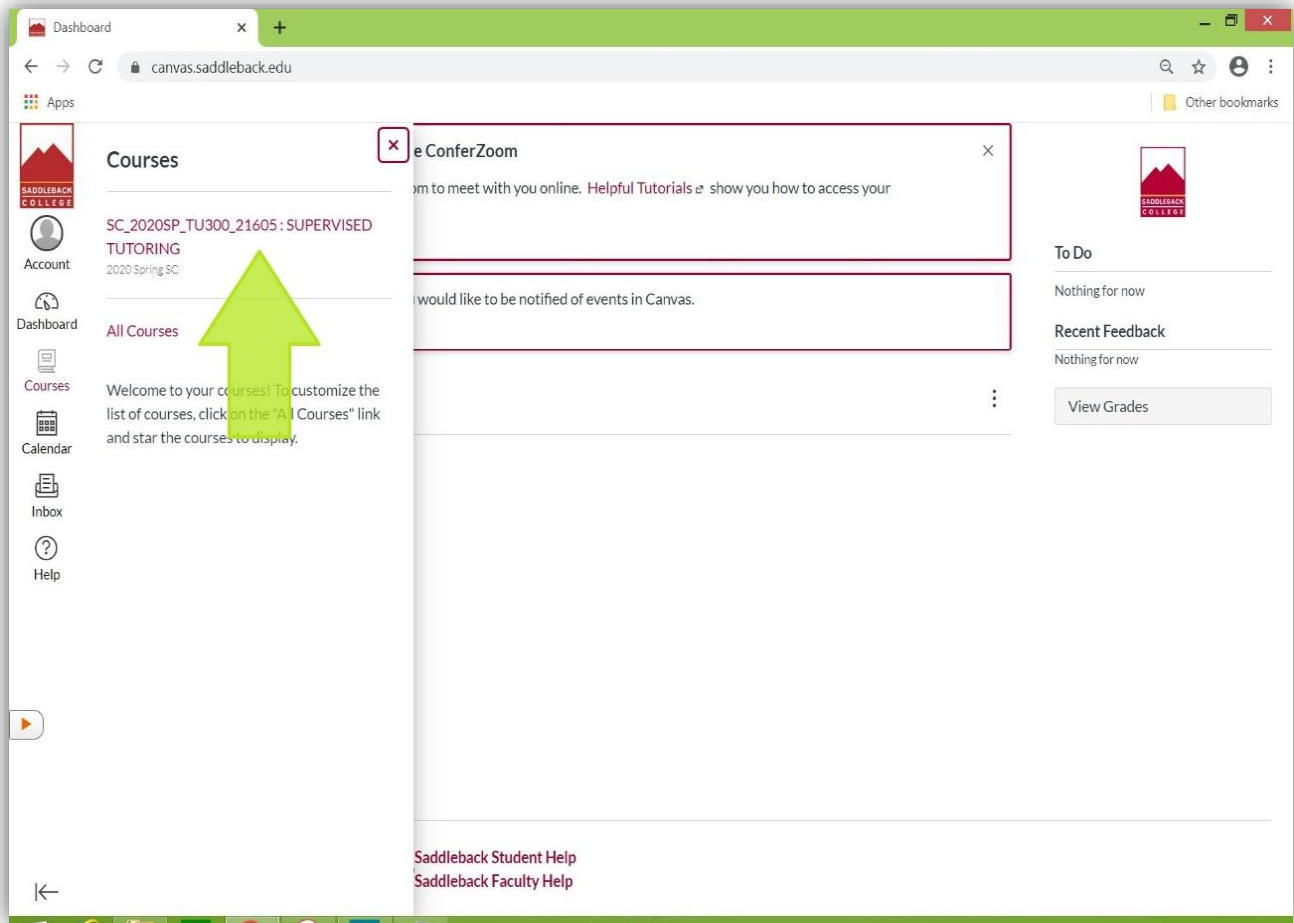

2. Once you are logged into Canvas, on your dashboard, click on TU 300.

   Reminder: You must be enrolled in TU 300 to access tutoring. Click here to view the class schedule and sign up for TU 300.

   Please note that if you have just signed up for TU 300, it may take about two hours for the course to appear on Canvas.

You can also find TU 300 by clicking on the "Courses" tab on the left side of the page.
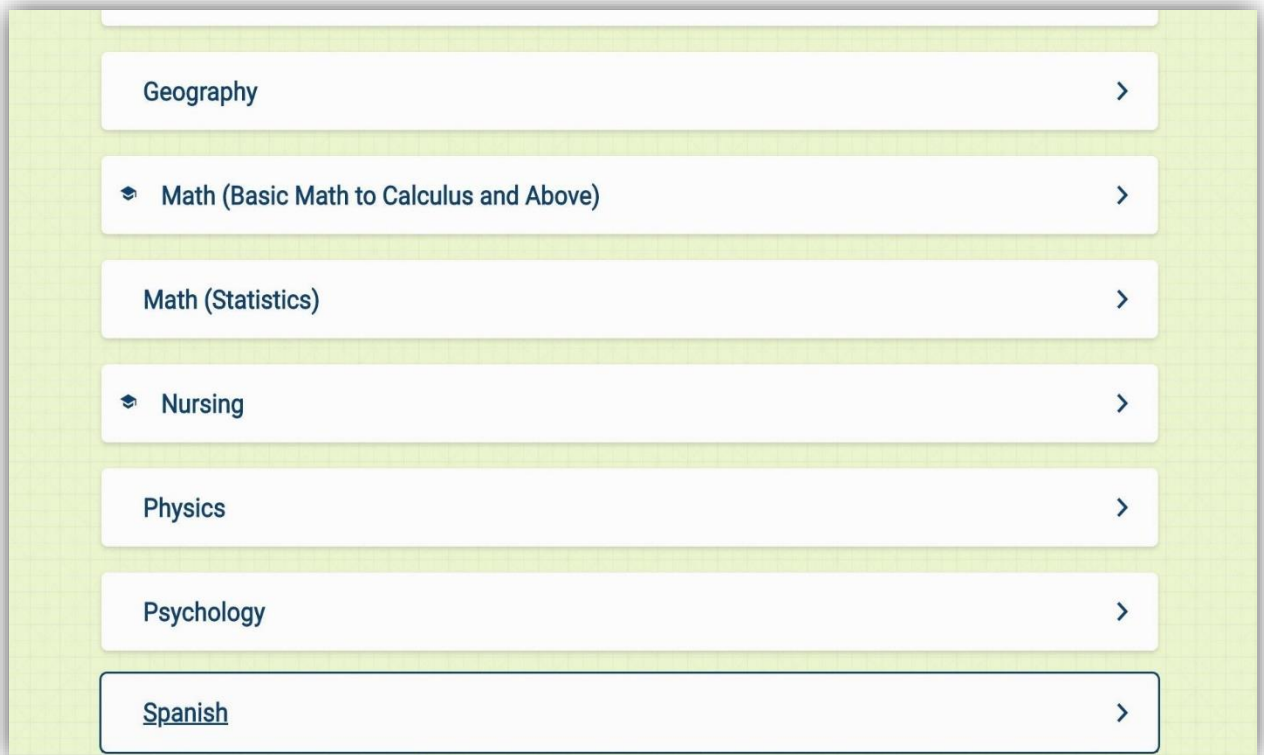

3. On the TU 300 homepage, click on "Online Tutoring" (located on the left side-bar) to access our Saddleback Peer Tutors.
