To receive specific studio course credit at SCAD, students must follow the portfolio submission criteria and guidelines available in the admission office. Portfolio review times and locations are distributed through admission mailings and during orientation for new students. Additionally, a review of all course syllabi may be required. Portfolios are reviewed by faculty members from the applicable department. Transfer credit is granted when faculty members assess that the quality of work in the portfolio is equivalent to that

which would earn a grade of C or better in an equivalent or comparable course at the Savannah College of Art and Design. Failure to submit a portfolio during the first quarter of enrollment results in loss of opportunity to transfer studio credit.

The following courses are not required for all majors. Please refer to the SCAD course catalog and specific program of study to see if specific courses are applicable to a student's intended major course of study.

Saddleback College	Savannah College of Art and Design
ART 81 Drawing II (Course is subject to portfolio review to determine transferability.) <i>(I will need a syllabus for this course to determine equivalency.)</i>	DRAW 101 Drawing II (Course is subject to portfolio review to determine transferability.) The course may transfer as a studio elective or free elective without a portfolio review if applicable to student's specific course of study.
ART 85 Drawing from the Live Model I (Course is subject to portfolio review to determine transferability.) <i>(I will also need a syllabus for this course to determine equivalency.)</i>	DRAW 200 Life Drawing (Course is subject to portfolio review to determine transferability.) The course may transfer as a studio elective or free elective without a portfolio review if applicable to student's specific course of study.

If you have students who are interested in the architecture, please contact me and I will be happy to discuss the specific course of study with them. To maximize transfer of credit, it is important to carefully advise students on the number of free electives, general education electives and studio electives required for each major program of study.

We look forward to working with you and your students in the future and hope to increase the number of students transferred to SCAD from Saddleback College.

Kindest regards,

Margaret Kross
