

Saddleback College Articulation Agreement: Bachelor of Arts in Management

The USU Experience: USU students will have the opportunity to complete their Bachelor's and/or Master's degrees in an educationally enriching environment in courses that are held 8 weeks long in duration. USU offers both on-ground, hybrid, and online courses, making it easy for students to work and carry out life activities successfully while in school.

Bachelor of Arts in Management: The Bachelor of Arts in Management degree provides students an opportunity to complete an undergraduate degree while advancing their career in the most efficient way. Students will acquire essential management concepts and techniques while learning to organize, motivate and lead individuals in diverse public and private business enterprises.

The BA in management offers a flexible course of study designed to maximize the number of transfer credits that will be counted toward the degree, resulting in a shorter time to completion. Drawing on USU's exceptional professional-practice faculty, students learn firsthand from industry experts who bring relevance and currency to the classroom. Students can immediately apply the lessons learned in the classroom to their current job, while preparing to advance their careers to the next level.

Through careful selection of elective classes, students in the Bachelor of Arts in Management program can leverage their knowledge for additional academic and practical programs in areas such as customer service management, project management, operations and supply chain management, and managing small business.

General Transfer Information: Each transfer course must be completed with a "C" grade or better. This agreement is used in conjunction with the USU General Education articulation agreement. For the BA in Management program, up to 90 semester credits maximum can be transferable. **United States University will accept IGETC or CSU GE for general education pattern.**
