**2024**

**SADDLEBACK COLLEGE**

**55<sup>TH</sup> COMMENCEMENT**

**MAY 23, 2024**

**5:30 P.M.**

# SADDLEBACK COLLEGE

## OUR VISION:

*Saddleback College empowers its diverse student body to achieve personal, academic, and economic advancement through equitable and innovative educational experiences.*

## OUR MISSION:

*Inspired by a passion for teaching and learning and a belief in human potential, Saddleback College transforms the lives of its students by offering high-quality, career-building, and life-enriching education.*

# SADDLEBACK COLLEGE

Saddleback College was founded by area voters on February 14, 1967, coinciding with the establishment of the Saddleback Community College District, now known as the South Orange County Community College District. Saddleback College is one of two separately accredited colleges within the district, which encompasses the southern half of Orange County.

Saddleback College is accredited by the Western Association of Schools and Colleges authorized by the United States Secretary of Education to evaluate universities and colleges in the Southern Pacific region.

Since opening its doors for classes in 1968, Saddleback College has grown rapidly in enrollment to the present size of more than 25,000 students, representing all ages, walks of life, and educational and career aspirations. Many of the college's graduates transfer as juniors to four-year colleges and universities, where they continue to distinguish themselves and often earn higher grade point averages than students who began their studies at those institutions. In addition, the students who graduate from our Career Education programs quickly discover that the state-of-the-art education they received at Saddleback College makes them highly competitive for employment in the job market. We are proud of the level of excellence in our faculty and our academic and career programs, which effectively prepare students for their continuing educational and professional advancement.

As a comprehensive community college, Saddleback College emphasizes student development and leadership as important aspects of its collegiate environment. Thousands of students participate in the college's numerous co-curricular activities that include the championship forensics team, nationally renowned intercollegiate athletic teams, and student government and its many clubs. In addition, students regularly demonstrate their talents in the performing and visual arts as well as in special organizations of a civic or environmental nature.

Saddleback College is proud of the leadership role we have maintained since 1968 in the educational, economic, and cultural life of the communities we serve. To ensure that the standards of excellence and innovations in ideas and technology remain paramount, we have invested heavily in the latest technology. Students are the direct beneficiaries of this investment. Here at Saddleback College, we will continue to utilize technology to successfully educate and train the diverse and dynamic population of South Orange County.

Saddleback College congratulates the graduating class of 2024 and looks forward to many more years of providing excellence in education and training for South Orange County.

*Chancellor, South Orange County Community College District Board of Trustees*

**Saddleback Commercial Music Ensemble** ..... **Directed by Dr. Ariel Alexander**  
*School of Arts, Media, Performance and Design*

**Recessional**

# ACADEMIC ATTIRE

## HISTORY

The commencement ceremony of Saddleback College continues the centuries-old tradition of wearing distinctive, academic dress. This custom dates back to the Middle Ages, when people dressed in accordance with their rank in society and their professions. Since the clergy was the literate class at this time, today's academic costume, which is used at both American and European colleges and universities, derives from these early clerical robes. In the United States, special councils have regulated "The Academic Costume Code" by which college affiliations and educational achievements can be identified.

## CAPS AND GOWNS

Undergraduate-level gowns are of various types and colors, although the bachelor's gown is always black and worn closed. The master's gown is black and has long, pointed sleeves. The doctoral gown is normally black with velvet panels on the front and on the sleeves. The master's and doctoral gowns may be worn open or closed. The mortarboard or "Oxford Cap" is also worn, with tassels indicating academic degrees. Certificate recipients wear the mortarboard without the tassel.

## HOODS

Graduate-level degrees are most readily identified by distinctive and colorful hoods, the master's hood being 3 1/2 feet long and the doctoral hood being 4 feet long. A smaller, bachelor's hood is rarely worn. The colorful lining of the hood is of silk and depicts the colors of the university or college which conferred the wearer's degree. Master's and doctoral hoods are trimmed in velvet panels of varying widths, and their colors represent different subjects: Arts, Letters, Humanities—white, Business—drab, Education—light blue, Fine Arts—brown, Law—purple, Library Science—lemon, Nursing—apricot, Public Administration—peacock blue, Science—golden yellow, and Theology—scarlet.

You will see these traditions represented in the caps and robes of the stage party and the faculty of Saddleback College who hold graduate degrees from numerous institutions across the country.

# GRADUATE ATTIRE

## PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

Graduates donning the gold Phi Theta Kappa stole have achieved academic excellence by maintaining a cumulative GPA of 3.5 or higher and have made a lifelong commitment to the purpose of Phi Theta Kappa, which is to recognize and encourage scholarship among two-year college students.

## ALPHA GAMMA SIGMA HONOR SOCIETY

Graduates donning the gold Alpha Gamma Sigma stole have achieved a cumulative GPA of 3.0 or higher. Members of Alpha Gamma Sigma work to recognize, encourage, and foster scholarship and educational attainments among students of the California Community Colleges.

## ACADEMIC HONORS AT GRADUATION

In recognition of academic excellence, students are awarded graduation honors as follows:

*Summa Cum Laude*, 4.0 GPA (gold sash)

*Magna Cum Laude*, 3.75 to 3.99 GPA (gold honor cord)

*Cum Laude*, 3.5 to 3.74 GPA (gold tassel on mortarboard)

In order to qualify for honors at graduation, students must have completed 24 semester units of letter-graded work at Saddleback College. Graduation honors are calculated using all academic work completed. This includes all work completed within the South Orange County Community College District and all work for which an official transcript has been received from other accredited institutions.

# SADDLEBACK COLLEGE

## Graduates, Summer and Fall 2023

### Associate in Arts Degree or Associate in Arts Degree – Transfer

S – *Summa Cum Laude* (4.0 GPA)

M – *Magna Cum Laude* (3.75-3.99 GPA)

C – *Cum Laude* (3.5-3.74 GPA)

# SADDLEBACK COLLEGE

## Students Transferring to Baccalaureate Institutions

Congratulations to the following Saddleback College students who have notified us of their transfer plans.

They represent only a portion of the many students who transfer from Saddleback College to four-year universities each year.

Students transferring to a four-year institution in Fall 2024 are recognized with a transfer tassel cord (gold, red, and black).

Penny Skaff, Ed.D. ....	<i>Dean, Counseling Services</i>
Anthony Teng .....	<i>Dean, School of Business and Industry</i>
Kari Irwin .....	<i>Assistant Dean, Career and Technical Education</i>
Jessica Kaven .....	<i>Assistant Dean, School of Humanities and Social Sciences</i>
Anne Lawson, DNP, RN .....	<i>Assistant Dean, School of Health and Wellness and Director, Nursing Program</i>
Daniel Predoehl, Ed.D. ....	<i>Assistant Dean, Extended Learning and Director, Emeritus Institute</i>

# PROFESSORS OF THE YEAR

## **DR. KIANA TABIBZADEH PROFESSOR SCHOOL OF SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS**

Dr. Kiana Tabibzadeh, a professor of chemistry, began teaching at Saddleback College in 2017. Her 30-year career in higher education has included various roles at CSU Long Beach, Pasadena City College, El Camino College, and Mt. San Antonio College. Before coming to Saddleback, Dr. Tabibzadeh served as the Academic Chair of Irvine Valley College's School of Physical Sciences for 19 years. Her extensive teaching experience includes general chemistry, organic chemistry, biochemistry, and fundamental chemistry courses.

Dr. Tabibzadeh cultivates a thriving learning environment for students by combining a demanding curriculum with an approachable demeanor and palpable enthusiasm for chemistry. Her students praise her warmth and encouragement, her demonstrated commitment to their success, and her dedication to fostering a culture of academic excellence by regularly informing students of opportunities for their growth and development.

Known for bringing an optimistic spirit to class each day, Dr. Tabibzadeh instills a sense of resilience and determination to her students and emphasizes the importance of learning from mistakes. Her engaging teaching style has made chemistry a favorite subject of her students, who appreciate her commitment to nurturing the next generation of scholars.

Dr. Tabibzadeh earned a Bachelor of Science degree in chemistry and a Master of Science degree in analytical chemistry from CSU Long Beach and a doctorate in educational leadership from Trident University International.

## **BROOKE CAMPBELL ASSOCIATE PROFESSOR SCHOOL OF HUMANITIES AND SOCIAL SCIENCES**

Brooke Campbell has taught English Composition at Saddleback College for two years and is commended by her students for the accepting and motivating environment she has created, with many citing her encouragement and support for inspiring them to major in creative writing. An active writer and poet, Ms. Campbell has written multiple publications.

Ms. Campbell's teaching philosophy focuses on the principle that all people warrant a conducive, accepting, and patient environment in which to discover, mold, and enhance their voices. With this in mind, she aims to support and nourish the love of critical thought and theory for all students she encounters, which, as explained by Ms. Campbell, was provided to her by one of her professors during her own educational journey. Now, she believes it is her obligation to do the same for younger generations.

Ms. Campbell earned a Bachelor of Arts degree in creative writing and a Master of Arts degree in English with an emphasis on creative theory from CSU Long Beach.

# PROFESSORS OF THE YEAR

**ELIZABETH CHAVEZ  
ASSOCIATE PROFESSOR  
EMERITUS INSTITUTE**

Elizabeth Chavez is a distinguished educator with over two decades of experience in health education. She has demonstrated exceptional dedication and expertise in her field and has been a cornerstone of the Saddleback College Emeritus Institute faculty team for the past three years, where she has enriched the academic landscape with her passion for teaching. Her unwavering dedication to education and her students' success is evident in her track record of high student retention rates and her commitment to creating inclusive learning environments.

Prior to her tenure at Saddleback, Ms. Chavez served for 18 years as an adjunct faculty member at Santa Monica College, where she excelled in classroom and online instruction and played an active role in curriculum development and student advocacy.

Ms. Chavez holds a Bachelor of Science degree in kinesiology from CSU Los Angeles and a Master of Science degree in physical education administration from CSU Dominguez Hills.

# STUDENT SPEAKERS

## ZAHRAA GHAZI

Zahraa Ghazi was born in Baghdad, Iraq, which she left at two years old due to unsafe conditions. She lived in Syria for two years before coming to the United States, and lived in Texas and Minnesota before finally being able to call California her home. Both of her parents sacrificed a lot to come to the United States in hopes of a great future for her and her two older brothers.

As a first generation student, Zahraa has always wanted to give back to her parents by having the ambition to do well in school and eventually go to college. She has had a lifelong interest in science, learning about diseases, and the human body, and became interested in learning more about the spread of viruses during the pandemic. She hopes to create change in the public health systems around the world and in the U.S.

At Saddleback College, Zahraa was in the Promise Program, and as a work study student, she developed self-confidence and leadership skills. She will continue her academic journey this fall at CSU Fullerton, where she plans on studying public health. She hopes to eventually earn a master's degree in public health.

## EZRA-EZEEKIAL RANARD GREEN

Ezra-Ezeekial Ranard Green is a nonbinary, queer, Jewish, neurodivergent, and disabled individual who uses they/them pronouns. They are graduating from Saddleback College with an Associate in Arts degree – transfer in psychology, and have been waitlisted at UCI and UCLA. They have high hopes of attending UCLA to major in disability studies. During their time at Saddleback College, Ezra was the vice president of the Active Minds club for over a semester, and the president/co-founder of the Neurodiversity Union club for three semesters.

Ezra made the Dean's List in the Fall of 2023, and will soon be a published poet in an anthology of transgender writers (as part of the first cohort of the Allies in Arts Transschool creative writing program). Their ultimate goal is to show others the love and acceptance that Ezra wishes to see more of in the world and to help people find themselves in the process. They hope to either be a disability services counselor at a community college, or a therapist for LGBTQ+, disabled, and neurodivergent individuals.

## MK SILLS

Mary-Katherine (MK) Sills grew up in foster care and has faced many challenges from a young age, which taught her both resilience and empathy. She is an advocate for foster youth and is in extended foster care to receive continued support since aging out.

MK works as a caregiver for adults with disabilities and enjoys learning about other people, their unique challenges, and sharing her smile and love wherever she goes. In her free time, MK volunteers at the San Clemente-Dana Point animal shelter, where she is passionate about taking care of the animals awaiting their forever homes. She also enjoys taking dance classes and performing at Saddleback, where she has found a beautiful community of dancers and teachers who show her kindness and family-like support.

MK is earning an Associate in Science degree in health science and an Associate in Science degree in American Sign Language. She hopes to pursue working in health care and giving back to her community, which has supported her so much.
