Tutoring Center

4. On the Saddleback Peer Tutors homepage, you can view the list of subjects

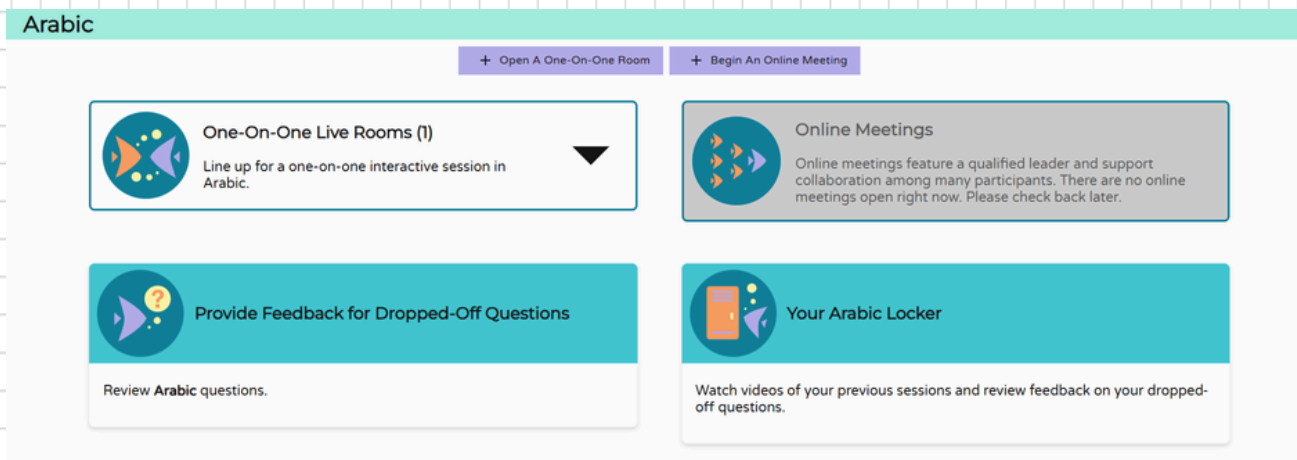

Scroll and select your subject (e.g. Arabic)

5. You can now view the available options for tutoring:

- One-on-One Live Rooms
- Online Meetings (group tutoring; not available for all subjects)
- Drop off a Question (not available for all subjects)
- Drop off a Paper (not available for all subjects)

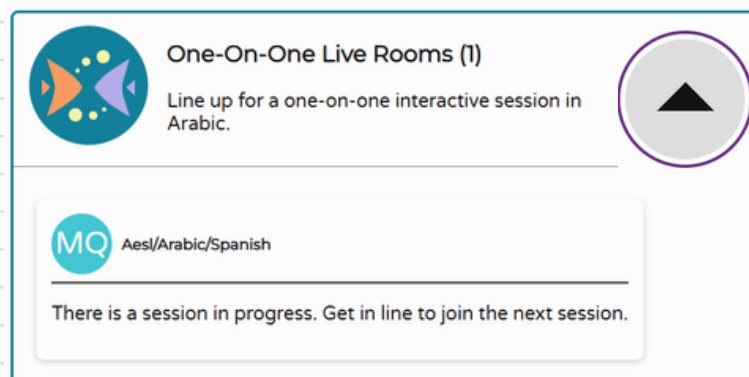

Please note that responses to “question drop-off” and “paper drop-off” will be provided as soon as possible, usually within a few days.

If a One-on-One Room is open in your subject, the page will show the corresponding message:

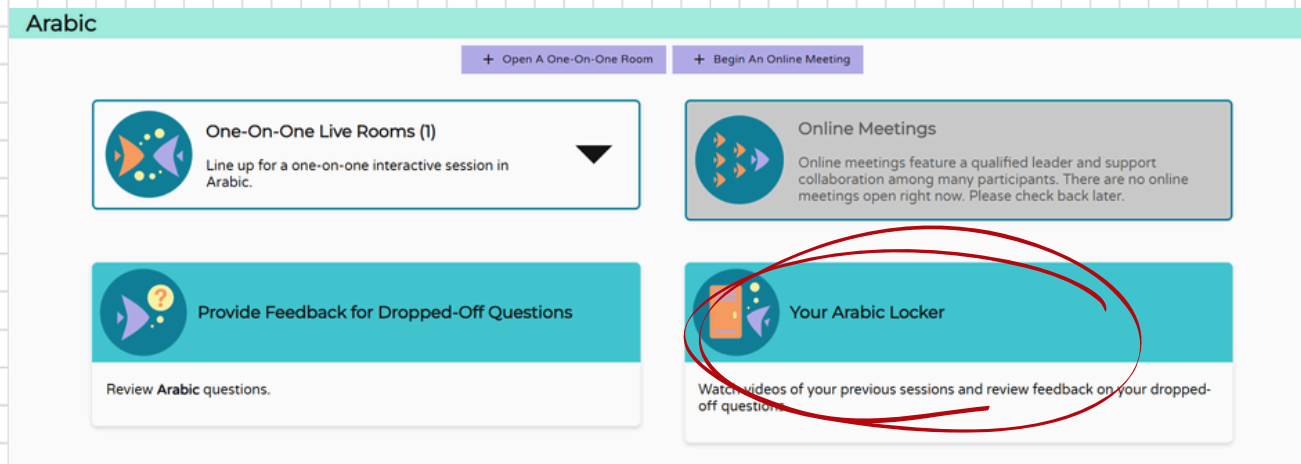

Click on One-on-One Live Rooms to view all open rooms.

Back on the subject's homepage, you can also access your locker for the specified subject. This is where you can:

- Review feedback on your drop-off papers
- View responses to your drop-off questions
- Access materials from your previous live tutoring sessions

If a live tutor is not available for your subject, please check the online tutoring schedule on the [Tutoring Center page](#).

Reminder: you can still drop off a paper or a question when no live tutoring is available.
