

Paramedic Program Applicant Assessment Testing Instructions

Your school may require you to complete Assessment Exams before or at the beginning of your course.

A. How to pay for access to assessment testing.

B. Accessing assessment tests.

Cost: \$5 for access to just the assessment exams or it is included in the cost of Full Access.

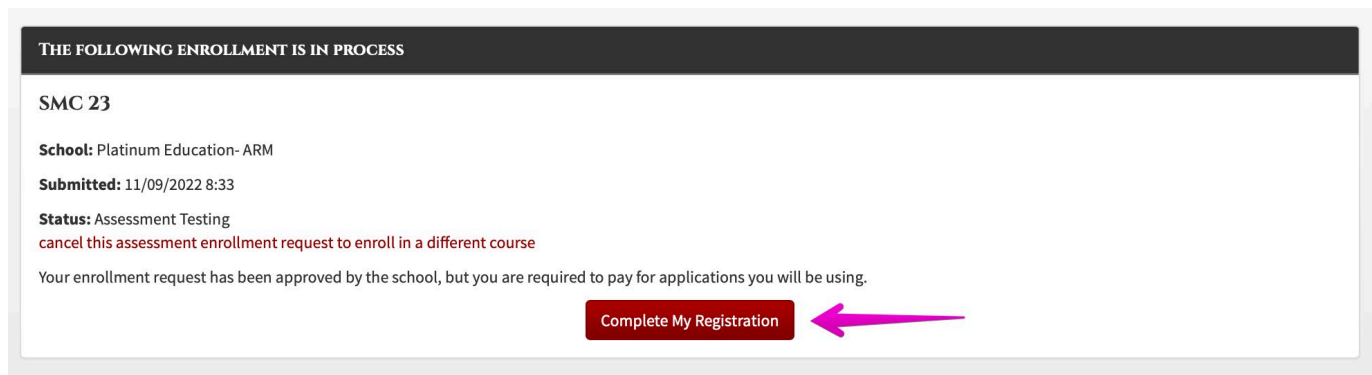

Note: If your school requires you to pay \$5 for assessment exams before being admitted into the course. The \$5 fee will NOT be applied toward your Full Access fee.

A. Accessing your Assessment Exams:

1. Create your student role. [Click here](#) if you need help creating your student account.
2. Enroll in your course. [Click here](#) if you need help with how to enroll in a course. **Course # WSP86**

Note: You will not have immediate access after enrollment is submitted. Your instructor has given you access from their side. Contacting Platinum Educational Group's support team will not speed along the process. They cannot accept you into the course on behalf of a school.

3. Pay for access to the Assessment Exams by entering your credit card info and clicking **Submit**. If you are paying for Full Access, you can also use an **Access Code** for payment.

SMC 23

School: Platinum Education- ARM

Submitted: 11/09/2022 8:33

Status: Assessment Testing
cancel this assessment enrollment request to enroll in a different course

Your enrollment request has been approved by the school, but you are required to pay for applications you will be using.

[Complete My Registration](#) ←

Note: We do not have Access Card Codes for just Assessment Testing. If you use your Access Card Code, it will remove the \$5 from your Code balance. For this reason we do not recommend using your Access Card Code for the \$5 Assessment section.
