

SADDLEBACK COLLEGE

OUR VISION:

Saddleback College empowers its diverse student body to achieve personal, academic, and economic advancement through equitable and innovative educational experiences.

OUR MISSION:

Inspired by a passion for teaching and learning and a belief in human potential, Saddleback College transforms the lives of its students by offering high-quality, career-building, and life-enriching education.

SADDLEBACK COLLEGE

Saddleback College was founded by area voters on February 14, 1967, coinciding with the establishment of the Saddleback Community College District, now known as the South Orange County Community College District. Saddleback College is one of two separately accredited colleges within the district, which encompasses the southern half of Orange County.

Saddleback College is accredited by the Western Association of Schools and Colleges authorized by the United States Secretary of Education to evaluate universities and colleges in the Southern Pacific region.

Since opening its doors for classes in 1968, Saddleback College has grown rapidly in enrollment to the present size of over 23,000 students, representing all ages, walks of life, and educational and career aspirations. Many of the college's graduates transfer as juniors to four-year colleges and universities, where they continue to distinguish themselves and often earn higher grade point averages than students who began their studies at those institutions. In addition, the students who graduate from our Career Technical Education programs quickly discover that the state-of-the-art education they received at Saddleback College makes them highly competitive for employment in the job market. We are proud of the level of excellence in our faculty and our academic and career programs, which effectively prepare students for their continuing educational and professional advancement.

As a comprehensive community college, Saddleback College emphasizes student development and leadership as important aspects of its collegiate environment. Thousands of students participate in the college's numerous co-curricular activities that include the championship forensics team, nationally renowned intercollegiate athletic teams, and student government and its many clubs. In addition, students regularly demonstrate their talents in the performing and visual arts as well as in special organizations of a civic or environmental nature.

Saddleback College is proud of the leadership role we have maintained since 1968 in the educational, economic, and cultural life of the communities we serve. To ensure that the standards of excellence and innovations in ideas and technology remain paramount, we have invested heavily in the latest technology. Students are the direct beneficiaries of this investment. Here at Saddleback College, we will continue to utilize technology to successfully educate and train the diverse and dynamic population of South Orange County.

Saddleback College congratulates the graduating class of 2022 and looks forward to many more years of providing excellence in education and training for South Orange County.

SADDLEBACK COLLEGE

COMMENCEMENT PROGRAM

Processional **“Pomp and Circumstance, March No. 1”**
by Sir Edward Elgar

Posting of the Colors **Mission Viejo Army Recruiting Center**

“The Star-Spangled Banner” **Saddleback College Chamber Choir**

President, South Orange County Community College District Board of Trustees

Dr. Elliot Stern

President, Saddleback College

Closing **Dr. Elliot Stern**

President, Saddleback College

Saddleback Commercial Music Ensemble “Magic Sauce” **Directed by Dr. Ariel Alexander**

Division of Fine Arts and Media Technology

Recessional

ACADEMIC ATTIRE

HISTORY

The commencement ceremony of Saddleback College continues the centuries-old tradition of wearing distinctive, academic dress. This custom dates back to the Middle Ages, when people dressed in accordance with their rank in society and their professions. Since the clergy was the literate class at this time, today's academic costume, which is used at both American and European colleges and universities, derives from these early clerical robes. In the United States, special councils have regulated "The Academic Costume Code" by which college affiliations and educational achievements can be identified.

CAPS AND GOWNS

Undergraduate-level gowns are of various types and colors, although the bachelor's gown is always black and worn closed. The master's gown is black and has long, pointed sleeves. The doctoral gown is normally black with velvet panels on the front and on the sleeves. The master's and doctoral gowns may be worn open or closed. The mortarboard or "Oxford Cap" is also worn, with tassels indicating academic degrees. Certificate recipients wear the mortarboard without the tassel.

HOODS

Graduate-level degrees are most readily identified by distinctive and colorful hoods, the master's hood being 3 1/2 feet long and the doctoral hood being 4 feet long. A smaller, bachelor's hood is rarely worn. The colorful lining of the hood is of silk and depicts the colors of the university or college which conferred the wearer's degree. Master's and doctoral hoods are trimmed in velvet panels of varying widths, and their colors represent different subjects: Arts, Letters, Humanities—white, Business—drab, Education—light blue, Fine Arts—brown, Law—purple, Library Science—lemon, Nursing—apricot, Public Administration—peacock blue, Science—golden yellow, and Theology—scarlet.

You will see these traditions represented in the caps and robes of the stage party and the faculty of Saddleback College who hold graduate degrees from numerous institutions across the country.

GRADUATE ATTIRE

PHI THETA KAPPA INTERNATIONAL HONOR SOCIETY

Graduates donning the gold Phi Theta Kappa stole have achieved academic excellence by maintaining a cumulative GPA of 3.5 or higher and have made a lifelong commitment to the purpose of Phi Theta Kappa, which is to recognize and encourage scholarship among two-year college students.

ALPHA GAMMA SIGMA HONOR SOCIETY

Graduates donning the gold Alpha Gamma Sigma stole have achieved a cumulative GPA of 3.0 or higher. Members of Alpha Gamma Sigma work to recognize, encourage, and foster scholarship and educational attainments among students of the California Community Colleges.

ACADEMIC HONORS AT GRADUATION

In recognition of academic excellence, students are awarded graduation honors as follows:

Summa Cum Laude, 4.0 GPA (gold sash)

Magna Cum Laude, 3.75 to 3.99 GPA (gold honor cord)

Cum Laude, 3.5 to 3.74 GPA (gold tassel on mortarboard)

In order to qualify for honors at graduation, students must have completed 24 semester units of letter-graded work at Saddleback College. Graduation honors are calculated using all academic work completed. This includes all work completed within the South Orange County Community College District and all work for which an official transcript has been received from other accredited institutions.

SADDLEBACK COLLEGE

Students Transferring to Baccalaureate Institutions

Congratulations to the following Saddleback College students who have notified us of their transfer plans.

They represent only a portion of the many students who transfer from Saddleback College to four-year universities each year.

Students transferring to a four-year institution in Fall 2022 are recognized with a transfer tassel cord (gold, red, and black).

ACADEMIC ADMINISTRATORS OF THE COLLEGE

Elliot Stern, D.O., J.D.	<i>President</i>
Tram Vo-Kumamoto	<i>Vice President for Instruction</i>
Juan Avalos, Ph.D.	<i>Vice President for Student Services</i>
Cory Wathen, M.B.A	<i>Vice President for Administrative Services</i>
Karima Feldhus, Ph.D.	<i>Executive Dean, Extended Learning</i>
Christian Alvarado	<i>Dean, Enrollment Services</i>
Kim d’Arcy, Psy.D.	<i>Acting Dean, Online Education and Learning Resources</i>
Dan Clauss	<i>Dean, Kinesiology and Athletics</i>
Scott Farthing, D.M.A.	<i>Dean, Fine Arts and Media Technology</i>
Georgina Guy, Psy.D.	<i>Dean, Student Equity and Special Programs</i>
Christina Hinkle	<i>Dean, Social and Behavioral Sciences</i>
John Jaramillo	<i>Dean, Economic & Workforce Development and Business Science</i>
Sherrie Loewen, Ph.D., J.D.	<i>Dean, Health Sciences and Human Services</i>
Art Nitta	<i>Dean, Mathematics, Science and Engineering</i>
Kevin O’Connor, Ph.D.	<i>Dean, Liberal Arts</i>
Diane Pestolesi, DNP, RN	<i>Acting Dean, Wellness, Social Services and Child Development Center</i>
Penny Skaff, Ed.D.	<i>Dean, Counseling Services</i>
Anthony Teng	<i>Dean, Advanced Technology and Applied Science</i>
Kari Irwin	<i>Assistant Dean, Career and Technical Education</i>
Dee Oliveri, Ed.D., RN	<i>Assistant Dean, Health Sciences and Human Services and Director, Nursing Program</i>
Daniel Predoehl, M.Ed.	<i>Assistant Dean, Extended Learning and Director, Emeritus Institute</i>

PROFESSORS OF THE YEAR

FARIDA GABDRAKHMANOVA

PROFESSOR

DIVISION OF ADVANCED TECHNOLOGY AND APPLIED SCIENCE

Interior Design Professor Farida Gabdrakhmanova has been with Saddleback College since 2011, but before that, she was a student in the interior design program, where she quickly developed the skills of a creative interior design professional. When she became a professor, she immediately put her mark on the program by developing curriculum, creating industry partnerships, collaborating with alumni, and mentoring students, while also serving as department chair.

Professor Gabdrakhmanova explains that her goal as an instructor is to create a safe, inclusive, and respectful learning environment, where everyone feels comfortable to express their ideas, give and receive critical feedback, and become mutual partners in learning. She shares, “As a career changer myself, I know firsthand how difficult it is to choose and pursue a creative career that comes with job insecurity and doubts in your own capabilities.” By sharing her own passion for design as well as examples of the realities of the profession, Professor Gabdrakhmanova helps her students build the confidence they need to succeed as interior design professionals. Her students note that she is the finest professor and mentor they have studied with, citing her dedication to her craft and energy in ensuring that her students’ work is the best it can be, as evidenced by the numerous awards they win year after year. Through her thoughtful and patient guidance, she doesn’t just teach her students, but nurtures them to become bona fide members of the interior design community.

Professor Gabdrakhmanova earned a Master of Science degree in physics from the Moscow Institute of Physics and Technology, an Associate in Science degree in interior design from Saddleback College, and a Master of Interior Architecture degree from California State Polytechnic University, Pomona/UCLA Extension.

JAN SMITH

ASSOCIATE PROFESSOR

DIVISION OF ADVANCED TECHNOLOGY AND APPLIED SCIENCE

Jan Smith has been an interior design instructor at Saddleback College since 2019, and in that time the program has benefited greatly from her expertise, infectious energy, and desire to continuously enhance her skills to better serve her students. With more than 15 years of industry experience, she found that mentoring new designers was one of the most rewarding aspects of her career, which inspired her to teach.

Ms. Smith’s students commend her organized teaching style, approachability, and pure joy for life, which they point to as reasons for their own success and passion for interior design. With many of her students having returned to college after working several years in another field or raising children, Ms. Smith has gone the extra mile in helping them acclimate to the classroom, often creating customized video demonstrations to help them learn design technology that is critical to their success.

Ms. Smith is the founder and principal of her own interior design business and received her training at the Interior Designers Institute in Newport Beach.

MIKE WARD
ASSOCIATE PROFESSOR
EMERITUS INSTITUTE

Mike Ward is a 20-year kinesiology instructor in the Saddleback College Emeritus Institute, where his classes regularly reach over 100 students, who value his expert instruction in older adult healthful living as practiced through yoga.

Mr. Ward's students share that he is a wonderful and inspiring leader and that his careful and thoughtful instruction has significantly improved their yoga practice. He is appreciated for being mindful of the limitations many older students experience, and considerately shares how they can modify their practice to match their comfort level and ability.

Mr. Ward earned a Bachelor of Science degree in nutrition from California State University, Long Beach, and a Master of Science degree in physical education from Azusa Pacific University.

SPEAKERS

COMMENCEMENT ADDRESS

U.S. REPRESENTATIVE MIKE LEVIN
CALIFORNIA'S 49TH CONGRESSIONAL DISTRICT

Congressman Mike Levin is proud to represent California's 49th Congressional District, which includes North County San Diego and South Orange County.

Currently serving his second term in the House of Representatives, Congressman Levin sits on the House Committee on Natural Resources, the House Select Committee on the Climate Crisis, and the House Committee on Veterans' Affairs, where he serves as Vice Chair of the Committee and Chair of the Subcommittee on Economic Opportunity.

Congressman Levin was raised in South Orange County and attended local elementary and junior high schools. He spent his high school years at Loyola High in Los Angeles, and went on to study at Stanford University, where he served as the student body president. Upon graduation from Stanford, he served as a Coro Fellow and then attended Duke University School of Law.

Prior to being elected to Congress in 2018, he fought for climate action while working as an environmental attorney. He also served on the board of the Center for Sustainable Energy, and co-founded Sustain OC, helping accelerate the transition toward more sustainable power generation and transportation alternatives.

Some of Congressman Levin's top priorities are combating climate change, protecting our natural resources, and capitalizing on the economic benefits of a sustainable energy future. He has led legislation to transition America to zero emission vehicles, ban new offshore drilling leases along the coast of Southern California, responsibly develop renewable energy on public lands, and much more.

Congressman Levin has championed efforts to expand access to affordable health care, lower the cost of higher education, preserve Social Security and Medicare, prevent gun violence, enact comprehensive immigration reform, and protect a woman's right to choose. He is a member of the Congressional Progressive Caucus and, as the grandson of immigrants from Mexico, a member of the Congressional Hispanic Caucus.

Congressman Levin lives in San Juan Capistrano with his wife, Chrissy, and their two children, ages 9 and 8.

STUDENT SPEAKERS

ANGELO JOSH WYNER BUROG

Angelo Burog was born and raised in the Philippines and migrated to the United States in 2017. Growing up physically distant from his parents because they had to provide for the family, Angelo learned to be hard working, independent, and resilient at a young age. Initially facing immense culture shock when he migrated to the United States, Angelo experienced struggles in adjusting to his new home. After persevering through the obstacles that he faced in his academic and personal journey, Angelo is now graduating with *Summa Cum Laude* honors with two associate degrees — an Associate of Arts in liberal studies and an Associate of Science in health sciences. He is also a part of the Phi Theta Kappa Honor Society. Angelo is planning to work as an Emergency Medical Technician and hopes to start nursing school at California State University, Long Beach next spring to fulfill his passion of serving the community.

DORENE GREENLEAF

Dorene Greenleaf is an adult learner who has had to persevere through her academic journey since grade school. Her dream was to always attend college to become an accountant. She is proud to say that her uphill climb has paid off as she will be receiving her accounting certificate. She would like to thank all the amazing individuals who have helped her throughout her time at Saddleback College and most of all the Lord for helping her every step of the way!

TABITHA HOWARD

Tabitha Howard is the first Howard in her family to begin her college journey at 15 years old as a fully home-schooled undergraduate. She went to school while working part-time for many years to accomplish attaining her degree, defeating all odds while doing so, and graduating with her associate degree in nutrition! She is also a content creator on Youtube, a holistic health and wellness coach, and an avid Christian. Even with being a non-transfer student, she is incredibly excited to see what God has in store for her future, whether local or abroad. Her main goal is to make a difference in the world and to encourage women to live a healthy and holistic lifestyle. Nothing and NO ONE can stop her!!

ELIJAH ROBLES

Elijah Robles is an optimist with a passion for learning and service, graduating with an Associate in Arts degree in political science. At Saddleback, he was President of the Pre-Law Society, and a member of Phi Theta Kappa, Alpha Gamma Sigma, the Honors Program, and Pathway to Law School. He will be attending the University of California, Los Angeles, to finish his bachelor's degree in political science and subsequently attend law school with the ultimate goal of public service.
